Svanenmärkt stearin/ECO certified stearic

Delsbo Candle is a Swedish company, specialized in production of eco-labelled candles. We are one of the largest candle producers in Sweden and the factory in Fredriksfors (Delsbo) provides the market with high quality antique and crowntop candles.

Are you looking for candles with the very best burning properties, highest imaginable quality and also a clear environmental profile?

Then go for Delsbo Candle as a supplier.

We continuously strive for development possibilities — we are passionate about making the impossible possible.

Through simple logistics and great possibilities to adapt to our customers condition, we are one of the most effective and modern producers of Swan labelled stearic candles. We were the first producer in the world to put the Swan label on our candles.

Today we are the only producer in the world to produce our whole volume according to the criteria of the Nordic Ecolabel.

Certified management system according to ISO 9001
